

## Tunstall Nordic Announced as Finalist for ITEC Awards 2019 International TEC Award

*The ITEC Awards - celebrating the very best in health and social care innovation*

**October 2019** – Tunstall Nordic announced today that they have been selected as finalists in the [ITEC Awards 2019](#).

Run by the [TEC Services Association](#) (TSA), the ITEC Awards are to be held at the prestigious Gala Dinner at this year's [International Technology Enabled Care conference](#) on the evening of the 15 October 2019 at the ICC Birmingham.

TSA Chief Executive, Alyson Scurfield comments: *“Organisations like Tunstall Nordic make a huge difference to the lives of people here in the UK and worldwide. It’s a great achievement to be shortlisted from the large number of submissions we received for these significant and exciting awards.*

*“The ITEC Awards are designed to celebrate the very best the TEC industry has to offer. It will act as a hallmark of quality for both those shortlisted and the winners and I’d like to wish Tunstall Nordic the best of luck when the winners are announced in October.”*

Tunstall Nordic: *“We are very proud to be nominated to the ITEC Awards. For us it’s an honour. We at Tunstall work hard every day so that people have the freedom to live life to the full in a place of their choice. Thank you!”*

The ITEC (International Technology Enabled Care) Awards showcase exceptional work in Technology Enabled Care and are designed to recognise excellence, innovation and outstanding achievement within the sector.

The Awards have been judged by a panel of industry experts consisting of:

- Professor George Crooks OBE, CEO, Digital Health & Care Institute
- Alan Davies, Director of Digital Health / Chair of the Digital Expert Group, Innovation Agency
- Alyson Scurfield, Chief Executive, TSA
- Madeleine Starr MBE, Director of Business Development & Innovation, Carers UK
- Professor Jonathan Wallace, Professor of Innovation, University of Ulster
